2020—2021 SUPPLY LIST

This year's supply list reflects that we may be in and out of virtual this school year. Students do not need to bring all of these supplies with them once we return. This is what students will need throughout the year.

All students will need a book bag to carry their supplies around during the school day. Lockers will not be assigned due to social distancing concerns.

We hope at some point during the school year we are able to utilize our lockers. When that happens we will supply a lock for each student. Students are not allowed to bring their own lock, they must use the one we provide.

Earbuds – you will see this listed numerous times on the supply list. Students only need one set and can be used for all classes that are asking for them.

Disinfectant wipes – we understand these are VERY hard to find. Please do not worry if you can't find them. Wipes, Kleenex, paper towels will not be needed until students return back to school.
